SUBJECT: Register of Copyrights' Review of the Copyright Royalty Judges' Final Determination of Rates and Terms for Business Establishment Services, Docket No. 2012-1 CRB (Business Establishments II)

---

On September 17, 2013, the Copyright Royalty Judges issued a Final Determination of Rates and Terms for Business Establishment Services, pursuant to 17 U.S.C. 112(e) ("Business Establishments II").

The Register of Copyrights is authorized to review for legal error the resolution by the Copyright Royalty Judges of a material question of substantive law under title 17 that underlies or is contained in a final determination of the Copyright Royalty Judges. If the Register of Copyrights concludes, after taking into consideration the views of the participants in the proceeding, that any resolution reached by the Copyright Royalty Judges was in material error, the Register of Copyrights shall publish such a decision in the Federal Register, together with a specific identification of the legal conclusion of the Copyright Royalty Judges that is determined to be erroneous. 17 U.S.C. 802(f)(1)(D).

Having taken into consideration the views of the participants, as expressed in the November 29, 2012, Motion to Adopt Settlement indicating that all participants reached a settlement that formed the determination, the Register of Copyrights has closed her review for legal error of the Business Establishment Services Determination. No correction or any further actions will be taken by the Register on this matter. No inferences or precedential value shall be drawn from the Register's decision not to issue any correction.
